

OE-MH Gen. 3

Cloud-Managed Server

A purpose-built enterprise server, the OE-MH supports up to 128 channels, and up to 256TB of storage.

SIXTEEN DRIVE CAPACITY

Increased drive capacity for increased storage.

RAID

Additional storage upgrade capabilities with RAID model.

DUAL GB NICS

Dual network ports allow use of an isolated camera network for security.

RACK MOUNTABLE

Mounting hardware included for convenient installation.

FRONT SWAPPABLE DRIVE

Removable front drive bays for simplified storage expansion or replacement.

SSD OS DRIVE

Solid state OS drive provides improved reliability and fast boot times.
