2019 NDA Disclosure

Some OpenEye hardware products contain one or more components manufactured by a company prohibited by the 2019 NDA. Per the 2019 NDA, these hardware products should not be installed in any federal government applications or where otherwise prohibited.

OpenEye Model	Subject to 2019 NDA	Recommended Conformant Alternative
ME Series Recorders	Yes (One or more components)	OE-MD
MA Series Recorders	Yes (One or more components)	N/A
OE-CAE	Yes (One or more components)	N/A

Note: A final ruling on the implementation of the NDA was released on 8/8/19 and put into effect 8/13/19. The above list has been updated to reflect these changes.
