Document ID Revision	AA
Products	CM-610, CM-710, CM-715, CM-715I, CM-715A, CM-715AI, CM-814, NE-VS201
Software Version	620120216NS
Issue Date	03/20/2012

## Feature Additions/Changes

1. Updated ONVIF integration to include RTP authentication and 1.02.3 compliance.
2. Consolidated the Log File, User Information and Parameters tabs in the web interface.
3. Added IP Filter.
4. Changed H.264 compression to accept user entered bit rate.

## Resolved Issues

- Resolved incompatibility issue using ONVIF with VISEC NVR Software.
